

BREW BAY IMPROVEMENT DISTRICT

BY-LAW NO. 17

A by-law for fixing the connection charge payable to the district and the time of payment thereof.

The trustees of Brew Bay Improvement
AS FOLLOWS:

District ENACT

1. Definitions

A. Service Connection

Shall mean the pipeline installation from the district's main to the property line of the property to be served, when such property line coincides with the established road allowance.

B. Service Pipe

Shall mean the pipeline installation from the curb stop at the property line to the premises of the owner.

2. Application for Water

- (a) Application for water shall be made in writing to the trustees, delivered to the secretary of the district, and shall be in such form as the trustees may from time to time prescribe, and shall be signed by the applicant who shall be the owner or an authorized agent of the owner of the property in respect of which application for water is made.
- (b) Each application for water shall be accompanied by the prescribed charges as set in this by-law.
- (c) No water shall be supplied upon any application, until all fees and charges for water connection, meter installation or other monies required by the trustees to be paid have been paid in full.
- (d) Each application shall contain the name of the owner, the legal description of the land parcel, specific details of the type and extent of development to be served, and the type of water service required.

3. Connection Charge

Every applicant for a connection to the works shall pay to the district the total cost of labour, materials, permits and any other items required to install the service connection, plus an inspection and administration charge of fifty dollars (\$50.00).

4. The trustees may at their discretion, and subject to the prior payment of the above charges, require the property owner or his representative to carry out the installation of the service connection complete or any part thereof.

5. The minimum deposit to be made at the time of application for a connection shall be three hundred and fifty dollars (\$350.00).

6. Where the cost of labour and materials expended by the district in installing the connection exceeds the minimum deposit against actual cost as set out above, the district shall recover the balance to be paid forthwith after the installation of the service connection, and the water will not be turned on until this balance is paid.

7. Where the cost of labour and materials expended by the district in installing the connection is less than the minimum deposit against actual cost as set out above, the district shall refund the balance to the applicant forthwith.

8. This by-law may be cited as the "Connection Charge By-law."
